PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Paul Rogers Tells 117 Civic Workers We Must Be Strong

An audience of 117 persons, representing communities of the entire Lake Okechobee area, heard the address by Congressman Paul G. Rogers at the joint luncheon meeting of the Pahokee and Canal Point Lions Clubs and the Pahokee Rotary Club in the Community Building at the Glades Park, Canal Point, Tuesday, with the Pahokee Lions acting as hosts.

Introduced by County Commissioner Chairman Paul Rardin of Canal Point, who served as master of ceremonies, the speaker gave a brief resume of the activities at the last session of Congress, then enumerated some of the actions the United States should take to firm up its position and regain some of its lost prestige throughout the world.

He said our country should be more alert to the dangers of the intrusion of Communism in the Western Hemisphere, pointing to Cuba as an example of the entrenchment of Communism at our very doorstep, 90 miles from the Florida Keys. It is Mr. Rogers' belief we have been dealing too lightly with Fidel Castro and the high-handed methods of his Communist government.

Since the United States can no longer depend on Cuba as a satisfactory source of sugar, the speaker told of the possibilities of raising the acreage quota for sugar.

Local Drug Store Bought By Mel Paul

The Canal Point Pharmacy, and the building in which it is located, have been purchased by Mel Paul, formerly of the Arlington section of Jacksonville but more recently of Fort Lauderdale. Mr. Paul took over operation of the store on Monday morning of this week and announces store hours from 8:30 a. m. until 6:30 p. m., six days a week.

Mr. Paul is a Florida registered pharmacist and looks optimistically at the future in Canal Point. He gave as his slogan: "If we can't have it, we'll get it. If we can't get it, they don't make it."

Mr. Paul has a wife and three daughters. Mrs. Paul is a school teacher in the Broward county school system at Fort Lauderdale and will continue there for the remainder of the school year. Mr. Paul will live in the apartment atop the drug store.

The new Canal Point pharmacist has had many years experience in the drug business, having owned and operated a drug store in the Arlington section of Jacksonville, Florida, for many years. In recent years he has been in Fort Lauderdale and comes to Canal Point highly recommended by those with whom he has been associated in the past.

Mr. and Mrs. Harold Elder of Jacksonville spent the weekend in Pahokee visiting her mother, Mrs. Arthur Bush, and brothers, Jack and Bobby Bush, and families.

Official Visit By BPW Club Pahokee

Miss Betty Jane Scott of Stuart, District 8 director, paid an official visit to the Pahokee Business and Professional Woman's Club at a business meeting at the home of Mrs. Allie Okie Tuesday night. Mrs. Mildred Lavender, president, presided and introduced Miss Scott, also Mrs. Dot West of Stuart, president of the Martin County BPWC, who accompanied their district director to Pahokee.

Miss Ellen Morgan, vocal music director at Pahokee High School, announced that Sandra Lampi and Martha Sellers, PHS seniors, have been selected as student members of the club for the current school year. Mrs. Elena Mindlin will be hostess at a social meeting of the club at her home Tuesday night, Oct. 18.

More'n 3,000 Cars Shipped From Lake 1927-1928 Season

In the issue of Friday, June 15, 1928—a little more than 32 years ago—a story in The Everglades News said that more than 3,000 cars of tomatoes, mixed vegetables and potatoes had been shipped from the Lake Okechobee Region during the season. But, you read the story just as it appeared more than three decades ago. Here it is:

Not counting boat shipments, express shipments or local f. o. b. sales, 2,768 solid cars of tomatoes, potatoes and mixed vegetables have been shipped so far this season from the stations of the Florida East Coast railroad on the eastern and southern shores of Lake Okechobee. The movement includes production from the islands and from the Brown Company farm on Hillsboro Canal. Including the boat and express shipments and the movement in trucks, the total production for the season was well above 3,000 cars.

The railroad figures of the carload movement from Everglades stations so far this season are:

Tomatoes, 693.
Vegetables 1,837.
Potatoes, 238.

Halloween Plans Canal Point School

A Halloween carnival for the children of Canal Point will be held on the school grounds Monday evening, Oct. 31, under the sponsorship of the Canal Point Parent-Teacher Association, according to plans announced at the October meeting of PTA held in the school library Monday night, with the president, Mrs. Joe Cherry, Jr., presiding. W. E. Johnson, carnival chairman, called for a special meeting with room mothers and teachers on Thursday, 3 p. m., when each school room will be assigned the kind of booth it is to sponsor at the carnival. PTA will have a foot booth, specializing in hot dogs and chili.

Upon recommendation by the executive board, the group voted

Roy E. Michael, Jr., Asks Re-election To County Board

County Commissioner Roy E. Michael, Jr., Lake Worth, Democratic Candidate for reelection to the Board of County Commissioners, today re-emphasized the aims

and objectives that have twice won him a post on the commission and a primary election victory last May. Michael, a recognized keen student of good government, served as chairman of the County Commission in 1958. He represents District 3, which is comprised of the Lake

Pahokee Taxes Up For Coming Year

The Pahokee City Council in special session Friday afternoon adopted the City's general operating and waterworks budgets for the new 1960-61 fiscal year, starting Oct. 1, the combined total being \$378,111.92. The total set up in the general operating budget was \$290,000.00 and in the waterworks budget, \$88,111.92. The ad valorem tax rate was set at 13.25 mills, 2 1/4 mills above last year's tax rate of 11 mills.

Of special interest to residents is the 21,000 ear-marked in the new budget for immediate repair of city streets that have deteriorated rapidly during the last few weeks of heavy rains. In the past the City has built and repaired its own streets, however, because of limited equipment and the extensive need of repair, the Council at its last meeting awarded a contract to the Palm Beach Asphalt Company to resurface all streets in need of repair, the work to start as soon as weather conditions are favorable.

Also set up in the general operating budget is \$5,000 for improved drainage and \$2,400 to go toward the salary of a full-time recreational director at the Pahokee Youth Center.

All salary increases for city employees provided for in the new budget were authorized at the meeting to go into immediate effect.

The Rev. Martin King of North Fort Myers as guest minister preached at the Pahokee First Baptist Church Sunday.

Local Garden Club To Further Project

The Canal Point Garden Club is planning to conduct its first work day of the fall season in the Community Building at the Glades Park Thursday, Oct. 13. Members will meet with Raleigh Tucker, from the office of the County agricultural agent, in the morning to discuss the planting of appropriate trees and ornamental shrubs in the roadside park which the club is developing in Cooperation with the Lions Club. The afternoon will be devoted to the making of articles for the bazaar which the club will sponsor on Nov. 17. There will be a sandwich luncheon at noon. All members are urged to attend this meeting as a good attendance is very important for effective results.

Chamber Group To Hear H. T. Vaughn, USSC President

The annual membership dinner and installation of officers of the Pahokee Chamber of Commerce will be held at the Pahokee Elks Club Monday, Oct. 17, at 8 p. m., according to plans completed at the October meeting of the Board of Directors in the Civic Building Monday night. Harry T. Vaughn, president of the U. S. Sugar Corp., Clewiston, will be guest speaker. County Commissioner Chairman Paul Rardin of Canal Point will serve as master of ceremonies and installing officer.

The directors voted to meet at the Coca-Cola plant Thursday at 9:30 a. m. for a coffee break, following which they will call on chamber members who have not yet paid their 1960 dues in an effort to bring payments up to date.

It was decided to conduct the regular monthly meetings on Monday nights at 7:30 instead of 8 o'clock, as has been the custom in the past.

At the request of Mrs. M. I. Keen, permission was granted to use the chamber office for a political rally. It was pointed out the chamber office is available to all political parties for this purpose.

Baptist Revival Starts On Monday

Revival services at the Canal Point Baptist Church will be held daily Monday, October 9, through Sunday night, October 16. Dr. Sam S. Hill, pastor of the Belle Glade Baptist Church is to be the guest preacher. Brown Satterlin, Minister of Music in the Belle Glade Baptist Church, is to direct the Music during the season of Revival.

Sunday services will be at 11 a. m. and 7:30 p. m. Throughout the week, the evening services will be held at 7:30 p. m. The Nursery will be open each evening.

The public is invited to share this week's blessings. The Pastor, Charles D. Stewart, announces that the Men's Bible Class will gladly assist in parking all cars.

Storm Emergency Repairs Replaced By Power Company

Florida Power and Light Company workmen are due another orchid for their splendid performance during the recent hurricane. Residents of the Glades suffered little from the hurricane, with a few TV antennas blown over, some tree and shrubbery damage and a shingle off a house here and there. During the blow they were out of electricity only a few hours when trees and tree limbs tore down electric wires.

An ironic twist of the winds brought a slight tornado to the Pahokee area on Friday afternoon before the hurricane winds came on Saturday. It was this little tornado blow that tore limbs off pines alongside the highway and thrust them over power lines, thereby interrupting service for a short time before the actual hurricane winds arrived the next day.

Curtis A. Chase, Commercial Manager in the Glades for the Power Company, said yesterday that power company employees worked around the clock in an effort to restore service as quickly as possible. That they did just that was proven by the rapidity with which folks had electricity available following the blow. This week the workmen are completing removal of emergency repairs made during the storm and replacing them with permanent work.

Blue Devils Play Forest Hill Here

The Pahokee High Blue Devils, twice beaten in as many stars, will have as their contestants in the first home game of the season this Friday night the Forest Hill Falcons who presently are sharing the top rung of the Suncoast Conference ladder with the Seacrest Seahawks, each having two wins and no defeats to date in League play.

This is the first time Coach Woe Pell's men have faced the Falcons on the gridiron, and although the visitors have yet to be scored on in league play, the Eagles of Naples High proved last week that they are far from being invulnerable by bringing them down to earth in a startling 18-7 defeat.

Against Clewiston last Friday night it was the same old story, a hard-fighting Blue Devil squad that made a fine stand against the Tigers on defense, but still unable to break the jinx that seems always to give the victory to Clewiston through the breaks of the game, this time the score being 6-9 favor of the Tigers.

Although the Blue Devils will start again in tonight's contest as the underdogs, local football fans will find in them a scrappy outfit with plenty of spirit that can upset the Falcons if they start clicking. And of course, Bandmaster Robert O. Lampi's smart-looking, high-stepping, fine-playing PHS Band will be on the field at the halftime to assist in the entertainment of the crowd. Kick-off is at 8:15.

Worth-Lantana area and the Town of Palm Beach.

In making his bid for re-election in the general election November 8, Michael pledged his continued support for early construction of additional roads and bridges in the county, plus continued improvement of the county's present road system. He also listed as major objectives in his bid for re-election, continued efforts to gain protection of ocean beaches and further research and possible legislation to develop adequate drainage facilities in the suburban areas.

Michael at the present time is actively engaged with the Resources Development Board in developing a fiscal program to finance beach erosion measures for the county coastline and to try and acquire additional beaches for public use. In connection with the county's drainage problems, Michael is now serving as one of a five-man committee named by the Lake Worth Drainage District to study ways and means of extending adequate drainage control to the suburban areas which constantly face threat of high water.

Another of his major aims, Michael said, is further development of the county's industrial potential, its agricultural and cattle raising industries, its recreational and va-

cation facilities and a planned program of capital improvements for the future.

"I feel that Palm Beach County is on the threshold of a new and prosperous era and I will continue to give my support to any plan which will produce an orderly growth for our county and which will improve living conditions, business possibilities and the economic welfare of our people."

During the period Michael has served on the county board, he has been closely associated with the county's planning and zoning problems and has helped this program grow from the unrestricted land use of a few years ago to today's program of orderly expansion through up-to-date zoning regulations. The county's zoning and building regulations have won both state and national attention.

Today Michael serves as liaison between the commission and the county zoning commission and is chairman of the Zoning committee of the State Association of County Commissioners. He served as first chairman of the county zoning commission.

Michael re-emphasized his pledge to "give careful thought to the conservation of public funds, and to lend support only to expenditures I feel will best benefit the residents of Palm Beach County."

He is a veteran of World War II and was separated from the armed

forces as a major after four years of service. He was on the faculty of Pahokee High School when he entered service.

Michael is an active member of the Methodist Church and resides at 304 South B. Street, Lake Worth with his wife, the former Martha B. Tatom of Lake Worth, and their four children, Jennifer, 17, Anna Lou, 16, Billy, 10 and Jimmie, 2.

Mail Volume Up For All-Time High

A new all-time high in the nation's mail volume was reached during fiscal year 1960 ending June 30, which continued the steady upward trend of the past seven years at a rate which even exceeds the population growth, according to advance information from the Annual Report of the Post Office Department which has been made available to Postmaster Edythe Smith.

Although subject to last minute revisions, the year's total has been estimated as 63.6 billion pieces of mail which includes about one billion pieces of parcel post. It was stated that this would mean an increase of nearly 25 per cent over the corresponding figures for 1959 when the annual volume was 50.9 billion pieces.

During this same period, it was pointed out, the revenue of the Department also has shown an impressive gain with an increase from \$2,091,714,000 in fiscal year 1959 to \$3,276,800,000 for fiscal year 1960.

Here in Canal Point, receipts of the post office climber from third class office in 1953 to Modern 2nd Class last year.

"There is not much we can do about how much mail we have to handle from day to day or how many people are making use of the Postal Service," Postmaster Edythe Smith stated, "but the whole Department keeps busy in devising ways and means for doing the job not only more efficiently but more economically. As I recall it, that was the way President Eisenhower outlined the principal objectives of the Department, when Postmaster General Arthur E. Summerfield was being sworn in back in 1953, and that's the way we have been operating ever since."

BROWNIES LEARN SONGS

Mrs. Glen Brower taught members of Brownie Troop 123 new songs and led in group singing at the weekly meeting of the troop in the First Methodist Church. Prize winners of the art exhibit of the previous week were announced: Chrissy Scroggins, first place; Ann Mosley, second; and Beverly Wood, third. Refreshments were served by Mrs. Frank Brady. Next Monday afternoon the troop will meet at the Boy Scout beach for a nosebag lunch, according to Nancy Watkins, troop reporter.

Mr. and Mrs. C. A. Major have returned to their home in Pahokee for the season after spending the summer at their home in Greenwood, S. C.

Dinner Party At Vorhees Home

Mrs. Boyd Vorhees and Mrs. J. S. Barwick entertained at the Vorhees home in Canal Point with a dinner party honoring Mrs. Vorhees' son, Boyd, Jr., and Miss Barbara Walker of Naples, a house guest of the Vorhees. Other guests were Miss Becky Barwick, Miss Ann Jackson, Miss Linda Hand, Carmen Salvatore, III, Benny Baxter and Laverne Milligan.

Boyd, Jr., an apprentice seaman in the U. S. Coast Guard, is home on a 12-day leave after completing his basic training at the USCG boot camp, Camp May, N. J. He will report for duty in Miami on Oct. 10.

Week Of Prayer Is Scheduled Pahokee

A special program in observance of week of prayer and self denial will be given at the First Methodist Church by the Woman's Society of Christian Service from 9 to 10:30 a. m., Oct. 26, according to plans announced at the October meeting of WSCS Monday by Mrs. T. C. O'Steen, spiritual life chairman. Taking part will be Mrs. M. P. Holman, Mrs. R. F. Hurt and Mrs. John Hutton. The theme: "Think on These Things."

A budget for the new year as recommended by the finance committee was adopted. The attendance pin for the month was presented to Mrs. Frances Dunson, chairman, for her Gertrude Shirley Circle.

It was reported an original song relating to Southeast Asia, composed by Mrs. C. M. Todd, a member of the Pahokee WSCS, is being used by the corps of doctors and nurses on the mercy ship, USS Hope, now on a good, will tour in Southeastern Asia waters.

Mrs. Pope Sears of Canal Point, district chairman of childrens work, as guest speaker gave a report on the WSCS seminars held recently in Fort Lauderdale and Fort Pierce. Mrs. Lloyd Hundley spoke on "Citizenship." Mrs. Laurie Justice, program chairman for the Gertrude Shirley Circle, was in charge of program arrangements.

It was announced the Miriam Circle will be hostess and present the program at the November meeting.

Monthly Communion Catholic Churches

The Belle Glade Holy Name members of St. Phillips Catholic Church will join with the Pahokee Holy Name members of St. Mary's Catholic Church, in Pahokee, Sunday, October 9, in their monthly communion.

This will be the first time in several months the joint communion will be in Pahokee. However it will alternate monthly between St. Mary's and St. Phillips hereafter.

The parishoners in Pahokee are also joining in with those in Belle Glade to develop plans for building and financing a new Rectory, Convent and Parish Hall in Belle Glade. These buildings are now badly needed as the new parish has its own Pastor, Father Francis X. Fenech and three nuns of the Victory Noll Order.

Basic Training Finished By Three

Roger Watson, Wayne Wagon and Frnak Crider, Jr., Pahokee High School 1960 graduates who joined the U. S. Air Force a few weeks ago under the Air Force's buddy training program, recently completed their basic training at the Lackland Air Force Base, San Antonio, Texas, and were given the rank of airmen, third class. After training together, they are now going separate ways on USAF assignments.

Roger, who has been spending a 10-day leave with his parents, Mr. and Mrs. Corley Watson, in Pahokee, leaves this weekend for Hunter AFB, Savannah, Ga., to enroll in a USAF technological school. Wayne is now stationed at the Air Force base near Amarillo, Texas. Frank is stationed at Niagara Falls, N. Y., where he is enrolled in a USAF school for radio technicians.

The October meeting of the Pahokee Parent-Teacher Association will be held in the high school auditorium Monday at 8 p. m., with President W. O. Moss to preside. Mrs. Herman Kautz, hospitality chairman, and her hostess committee for the month will serve refreshments during a fellowship hour following the meeting.

J. V. Turbeville and niece, Patsy, have returned to Robin, N. C., after a visit here with his brother, Slade Turbeville, who is ill at the Everglades Memorial Hospital.

HERE! THE GREATEST SIXTY-ONEDERFUL CHEVROLET

Here's the car that reads you loud and clear—the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10½ inches lower.

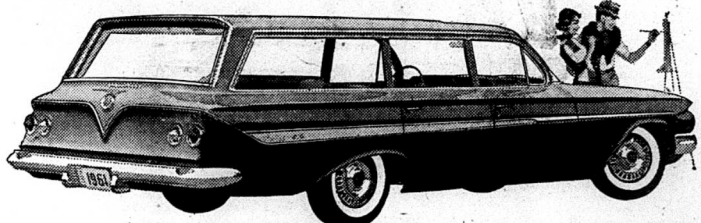

INTRODUCING THE '61 CHEVY BISCAYNE 6

the lowest priced full-sized Chevy with big-car comfort at small-car prices!

Chevy's new '61 Biscaynes—6 or V8—give you a full measure of Chevrolet quality, roominess and proved performance—yet they're priced down with many cars that give you a lot less! Now you can have economy and comfort, too!

IMPALA 4-DOOR SPORT SEDAN—one of five Impalas that bring you a new measure of elegance from the most elegant Chevrolets of all.

NOMAD 9-PASSENGER STATION WAGON. You have a choice of six Chevrolet wagons, each with a cave-sized cargo opening nearly 5 feet across.

BEL AIR 2-DOOR SEDAN, like all '61 Chevrolets; brings you Body by Fisher newness—more front seat leg room.

SHOW ON WORTH!

NEW '61 CHEVY CORVAIR

More space . . .
more spunk
and wagons, too!

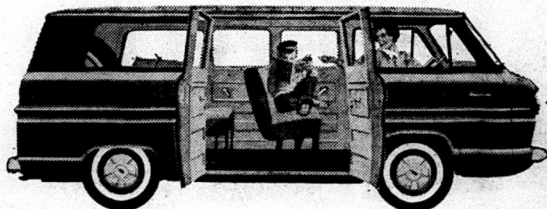

The newest car in America: the CORVAIR 700 LAKEWOOD 4-DOOR STATION WAGON.

CORVAIR 700 CLUB COUPE. Like all coupes and sedans, it has a longer range fuel tank.

CORVAIR 700 4-DOOR SEDAN. Provisions for heating ducts are built right into its body by Fisher.

Spare tire is in the rear in coupes and sedans—leaving more luggage space up front.

Even middle-seat passengers sit pretty, thanks to Corvair's practically flat floor.

Now in production—the GREENBRIER SPORTS WAGON with up to twice as much room as ordinary wagons (third seat optional at extra cost).

Patterson Circle Meeting Oct. 17

The Tone Patterson Circle, Canal Point Baptist WMS, has postponed its October meeting, originally scheduled for Oct. 10, until Oct. 17 when it will meet at the home of Mrs. M. C. Carter at 3 p. m. The change was made because of the revival at the church, Oct. 9-16.

Pahokee Girl Scout Troop 38, at the Johnson Clinic, held a party for one of its members, Jan Plummer, who was celebrating her 14th birthday anniversary. A guest was Jan's mother, Mrs. W. S. Plummer, who is chairman of the Girl Scout Cypress Neighborhood Association. At the business session Mrs. E. C. Johnson, troop leader, asked the three patrols to outline activity plans for the coming year. The troop will be represented at the Girl Scout Council meeting in West Palm Beach Monday afternoon, Oct. 10, by Heather Reed and Jan Plummer, according to Elaine Salvatore, troop reporter.

Mrs. Johnson Gives Program For WSCS

A program on "Christian Citizenship" was presented by Mrs. W. E. Johnson at the October meeting of the Canal Point Methodist Woman's Society of Christian Service held at the Sunday school building Tuesday night with Mrs. W. L. Blackwell, president, presiding. Mrs. James Miller assisted with the program and acted as hostess.

A report on the WSCS fall seminars held recently at Fort Lauderdale and Fort Pierce was given by Mrs. Pope Sears, district secretary of children's work. Plans were made to observe a week of prayer and self denial in the near future, dates to be announced later by Mrs. Blackwell.

BIRTHDAY PARTY.

Mrs. F. H. Potete entertained at her home with a party honoring her daughter, Debbie, on her ninth birthday anniversary. Contest prizes were awarded to Edna Cooper and Hank Tucker. The hostess was assisted with the serving of refreshments to the 25 guests by her sister, Mrs. J. L. Tyson, Jr.

Christian Science Group Of Canal Point

How sickness as well as sin can be overcome through spiritual understanding of God will be set forth at Christian Science services Sunday.

Teachings of Christ Jesus are featured in the Bible selections which include his admonition concerning the "corrupt tree (which) bringeth forth evil fruit" (Matt. 7: 17). The subject of the Lesson-Sermon is "Are Sin, Disease, and Death Real?"

This correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will follow (345:14). "Jesus strips all disguise from error, when his teachings are full understood. By parable and argument he explains the impossibility of good producing evil; and he also scientifically demonstrates this great fact, proving by what are wrongly called miracles, that sin, sickness, and death are beliefs—illusory errors—which he could and did destroy."

Mrs. Joe Thompson New President WMU

Mrs. Joe Thompson was elected new president of the Woman's Missionary Union of the Pahokee First Baptist Church at the October meeting at the church Monday.

Other officers chosen for the coming year were Mrs. C. L. Shirley, Sr., first vice president; Mrs. M. M. Andrew, secretary; Mrs. J. C. Mock, treasurer; Mrs. C. R. Wetherington, program chairman; Mrs. F. G. Gillis, community missions; Mrs. M. P. Stanley, stewardship; Mrs. Adaline Wroten, literature; Mrs. Lester Hand, social; Mrs. J. P. Herring, sunshine; Mrs. Marvin Crady, children's home; Mrs. Milton Douglas, Junior Girls Auxiliary director; Mrs. C. E. Williams, Young Women's Auxiliary director; Mrs. Price Burdshaw, Sunbeam Band director; Mrs. David Urwin, JGA counselor; Mrs. Esther Batchelor, Intermediate GA counselor; Mrs. C. L. Shirley, Jr., YWA leader. Mrs. J. H. Wilkinson, Jr., gave the report of the nominating committee.

Mrs. E. B. Gamble, retiring president, presented the program, "Message of God's Son." Others taking part were Mrs. Horace Urwin, Mrs. Wiley Tillis and Mrs. J. P. Herring.

Mrs. F. G. Gillis, community missions chairman, requested all members to bring canned foods at the next circle meetings in order to replenish the WMU Food Bank.

Sheriff Aux Will Hold October Meet

The newly organized Woman's Auxiliary of the Palm Beach County Sheriff's Department will hold its October dinner meeting at the Pahokee Woman's Club Monday at 8 p. m. Mrs. P. T. Wells of West Palm Beach, president, will preside. Mrs. Lee Wroten of Pahokee, first vice president, is in charge of general arrangements. Deputy Sheriff Frank O'Connell of Canal Point, assisted by Glades members will be dinner guests. Sheriff John Kirk will head the motordance of members who plan to attend from the East Coast.

Miss Delilah Strayer of Canal Point became the bride of Donald Edward McKinnon of Miami in a ceremony held Sept. 24 at St. Phillips Catholic church in Pahokee. The couple will make their home in Miami where Mr. McKinnon is a member of the Metro Police Department. The bride is the daughter of Mr. and Mrs. John Strayer of Canal Point.

VISITS IN MISSISSIPPI

Mrs. H. H. Sears has gone to West Point, Miss., for a visit there with her son and daughter-in-law, Dr. and Mrs. H. Harlan Sears, Jr., and family. She was accompanied as far as Montgomery, Ala., by Mrs. C. L. Stuart, who is the guest there of her son-in-law and daughter, Mr. and Mrs. Jordan Walker, and family. They plan to return to Canal Point the first of the week.

MRS. B. ELLIOTT INJURED

Mrs. B. Elliott is a patient this week at Good Samaritan Hospital, West Palm Beach, where she is receiving treatment for a back injury suffered in a recent fall. Mrs. Elliott moved recently from Lake Worth to 1519 South Olive, West Palm Beach, where she is now making her home while employed in the office of the Sunshine State Parkway in West Palm Beach.

Carmen Salvatore, III, and Bennie Baxter, Pahokee High School 1960 graduates, and Lavone Milligan, who recently joined the U. S. Air Force, will take their final physical examinations at Miami Sunday before leaving for basic training.

Mr. and Mrs. Wendell Harris and daughters spent the weekend visiting her parents, Mr. and Mrs. H. J. Clause, at Lake Kerr and her brother-in-law and sister, Mr. and Mrs. Harris Folds, and family at Sandford. Mr. Harris remained there on business.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half, then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

In speaking of the foreign aid program, the United States has spent around 80 billion dollars in foreign aid since the program was started in the days of the Marshall Plan, increasing the personnel for the distribution of this aid from 750 employees at the start to the present 53,000, and we have not got in the past and are still not

getting the results we should from this vast expenditure of the taxpayers' money, Congressman Rogers said.

Manning I. Keen, past president of the Pahokee Lions Club, was in charge of program arrangements and introduced Mr. Rardin.
